

Digital Citizen Activity Badge – Stage 1

How to earn your badge:

show that you have thought about the potential risks and how to stay safe for each activity.

1. Show that you can:

turn on and log into a computer

use a piece of software, for example email or a game

name the main parts of a computer system

connect a peripheral (for example a scanner or printer) to your computer and use it.

2. Create a piece of digital media. It could be artwork, a photograph, music or animation.

3. Use the internet for research:

decide on an area of interest

find three websites with content that matches your area of interest

collect relevant information by printing or saving as files.
